

# Bellingham Unitarian Fellowship

May 8, 2019

## Addendum

## MAYFAIRE Was Wonderful!

We had a great turnout for MayFaire – over 90 attendees. Thank you so much to all attendees, bidders, and donors.

Thanks are definitely in order to Debbie Boots who lead the volunteer efforts and made sure that things went smoothly and joyfully! Roz Reynolds and her kitchen team outdid themselves – the meal was delicious and plentiful. Sue Sayegh deftly coordinated the accounting before, during and afterwards. Performers were fabulous and very entertaining and Karen Nuckles-Flinn excelled as our witty emcee. Andrew Schoneberg masterfully handled the sound system during the event and stage setup and breakdown. And thanks so much to Kara Black for handling the paddle call.

There were many other volunteers, too numerous to mention here, but thanks so much for your hard work!

We are finalizing the accounting, but it appears that we cleared roughly \$15,000 after expenses. Of that, \$3,800 was for the paddle call which will be used towards our all Fellowship

Retreat.

It's time to pat everyone on the back!

Two notes from Debbie Boots: 1-Check your invoice from the auction to see if you were a winner of one of the gift cards or treats. If so we left all of those in the church office in individual bags with the winner's name on each. 2-last chance to win an auction item is tonight at Community Night Dinner (6 pm). There is still a slot for a bike ride and picnic on Lummi Island with Kevin and Genia. Or a seat at a tea with homemade pastries by the amazing baker, Judy Fruhbauer.
